

2022: A Year in Review

2022 marked another active and exciting year at ACCEL Compliance. Here's a brief retrospective on the year's highlights!

30% GROWTH LICENSES UNDER MANAGEMENT

Our portfolio of client licenses under management continues to grow as we add new clients and as existing clients enjoy robust business growth!

178% GROWTH SECRETARY OF STATE FILING SERVICES

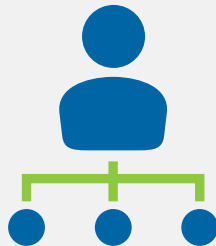

Each year, more clients are counting on ACCEL to handle their corporate and LLC filing responsibilities.

GROWING TEAM

Continued growth and development of our team was evident in 2022:

- **Amber Tremblay & Tyler Fields were named Assistant Managers.**

- **Five new compliance analysts joined the team.**

SURPLUS LINES

ACCEL continues to add new clients using our Surplus Lines Tax Filing System and Services. Also in 2022, we launched our **BlueBack™ Compliance Resource Center**, an unmatched compilation of surplus lines requirements, rates and details for all US jurisdictions.

NEW BRANDS

As our portfolio of software solutions grows, we recently began rolling out new branding for these important tools.

9.3/10 EXTREME PROMOTERS

When asked if they would recommend ACCEL to a friend or colleague, clients gave us an average score of 9.3 out of 10 (10=Extremely Likely). In the same survey, **100% of clients** chose the word "responsive" to describe ACCEL.

GIVING BACK

We made time to help others, supporting a food drive for a local food pantry, Hurricane Ian relief efforts and the Ukraine Relief Fund.
